

Express Engineering (Gateshead) Limited

Tender Notification

Tender Title: Rooflight replacement works

Information:

Express Engineering (Gateshead) Limited, ("Express") are an Oil & Gas equipment manufacturer based in the North East of England. With nearly 50 years of machining and assembling critical subsea components and systems experience we are a market leader in the specialised products we produce. In recent years, Express has delivered strong growth and currently employs over 200 people all at its Gateshead facilities.

Tender requirements

- Remove the existing internal & external deteriorated GRP rooflights, disposing of all parts
- Supply and fit all new GRP translucent rooflights
- Provide all equipment necessary to be able to complete the refit including but not limited to- scaffolding, scaffold access, safety measures including netting, safety harnesses and any mobile access equipment

The quote will initially be for one factory area with 11 rooflights requiring replacement. There is an opportunity to then complete further factory rooflight replacements if successful in the initial tender.

In shortlisting any applicants we will take into consideration:

- a) The experience of the applicants in the sector concerned.
- b) The size and infrastructure of the applicants' business.
- c) The technical and professional ability of the applicant.

Full details of rooflight replacement requirements are provided in tender documentation which will be issued to interested parties wishing to tender.

Should you wish to express an interest in tendering and receive a copy of the tender documentation then please email Richard.Williams@express-engineering.co.uk

Estimated timescales:

Contract Start Date: 20 December 2021

Expression of Interest Deadline: 6 December 2021

Tender Submission Deadline: 13 December 2021
